

7th Congress of the European Academy of Neurology (EAN) – Virtual 2021
GW Cannabinoid Education 360-sponsored symposium

Clarity on cannabinoids:

Test your knowledge

Saturday 19 June, 09:30–10:00 CEST

Room Istanbul

- ◆ **Marco Colizzi** (University of Verona, Italy)
- ◆ **Cris Constantinescu** (University of Nottingham, UK)

With the increasing importance of cannabis-based products in modern medicine, healthcare professionals need to be knowledgeable and confident about cannabinoid science during conversations with their patients.

This interactive session will use live polling to test **YOUR** knowledge of cannabinoid science and provide answers to important questions on topics such as:

- ◆ The phytocannabinoid profile of cannabis plants
- ◆ Cannabinoid receptors and their effects
- ◆ The endocannabinoid system
- ◆ Cannabinoid pharmacology
