Meeting of the Directing Committee of the ENS
1986
20 December 1986

Members present: PK Thomas, P Rondot, WI McDonald, A Steck, K Toyka, A Harding, G Said.
G Franck could not attend and excused himself.

Several decisions have been taken concerning:

1) The composition of the Directing Committee:

- President: PK Thomas
- Vice-Presidents: P Rondot, G Franck;
- Director of the Scientific Committee: WI McDonald
- Director of the Membership Committee: K Toyka
- Director of the Teaching Program: A Harding
- Treasurer: A Steck
- Secretary: G Said.

→ 2) It was felt necessary to include in the next Directing Committee a neurologist from Spain (JJ Zarranz), from Denmark (N. Lassen), one from Italy and one from Holland.

Klaus

Dear Colleague,

At the next meeting of the Executive Committee of the ENS, in Paris on November 28, 1987, we will have to make a decision about an official organ for our group, to publish the abstracts of our scientific meetings and some of the full papers presented at the meetings. Interesting offers have been made by KARGER, the publisher of EUROPEAN NEUROLOGY. Dr. Karger offered to publish the abstracts (typeset) for free, and to allow us to take the control of his the Journal which has now a circulation of about 700 copies, with 10 issues each year. We would certainly be able to improve the scientific level of the journal, and KARGER offers other advantages (see the enclosed letters) but he still asks 200 SF per year for the subscription of members of the ENS which seems too much. We will probably have also offers from Springer (JOURNAL OF NEUROLOGY) by the time we meet in November.

Cher Professeur Toyka,

J'ai bien reçu votre lettre dans laquelle vous avez la gentillesse de me proposer d'être Membre Honoraire de la Société Européenne de Neurologie.

Je suis bien entendu très tenté de vous donner une réponse positive mais je serais content de savoir quel est le statut réel des Membres Honoraires de cette Société avant de formuler une réponse en toute connaissance de cause.

Très sincèrement à vous.

Cher Collègue,

1987 Competition or Conflict? ENS - EFNS

Je me permets de m'adresser à vous en tant que Secrétaire-général des groupes de travail de la Fédération Mondiale de Neurologie.

Il est possible que Georges Franck vous ait déjà parlé de certaines de nos préoccupations. A une réunion très récente du Management Committee de la Fédération Mondiale de Neurologie (Dick Masland, Président; John Walton, Vice-président; Jim Toole, Secrétaire et moi-même) on a parlé du fait que deux sociétés de neurologie semblent s'organiser en Europe: celle dont vous êtes secrétaire et une autre en Tchécoslovaquie organisée par le Prof. Bartko. Il est évident que la Fédération Mondiale de Neurologie ne peut dans ce domaine que exprimer des vœux pieux. L'un de ces vœux est qu'il serait regrettable que l'Europe neurologique se divise et se divise selon une ligne politique. Le président Masland qui ignorait tout de l'existence de l'European Neurological Society dont vous êtes secrétaire, est prêt à annoncer la réunion de Tchécoslovaquie dans World Neurology et cela sous les auspices de la Fédération Mondiale de Neurologie. Il est d'ailleurs prêt à faire de même pour votre société.

Dear Klaus

Richard Masland will be in London on 23rd May. I have just heard from John Walton that he has arranged a meeting for the morning of that day at The Ciba Foundation, 41 Portland Place, London W1. He hopes that you will be able to come across to discuss possible links between the ENS and the Gerstenbrand/Bartko organisation. I have also written to Gérard Said. John Walton has provisionally booked a room for you for one night on Monday 22nd May and the WFN will cover the cost of your visit (both the air fare and the overnight stay). If you would prefer to stay with Anita and myself, we would be most pleased.

With best wishes,

Yours sincerely

P K Thomas

Sir John Walton

Feb. 15, 1989

SUBJECT: Meeting may 23, 1989

Prof. Toyka is unable to attend a meeting in London on May 23. However, everyone else is available on that date. It seems extremely unlikely that we will find another date in the near future when all of us would be available. For this reason, I propose tht we proceed with the meeting on May 23. I hope that since this is an unofficial meeting it will be agreeable to Prof. Toyka and other members of the European Neurological Society for us to do so.

You will hear from Prof. Walton regarding the place of the meeting and your accommodations.

I look forward to seeing you may 23rd.

Sincerely,

Richard L. Masland
